FOR APS VICE PRESIDENTS:

Place your trust in these three philatelists who offer you unparalleled experience.

Five of Our Chief Objectives Are:

- **American Philatelic Center/The Match Factory.** We promote the total finish of it within the next three years. And we will engineer the planned for mix of APS, the Library, and tenant space—and help lead its successful, financially-sound completion.

- **Fund Development** – Complete the Campaign for Philately as planned—providing funds for key APS programs and the completion of the American Philatelic Center.

- **Membership and Youth** – Aggressively work with the staff, board, and other Society leadership to make sure the APS has solid growth of new members during our term in office. We will help strengthen APS's Young Stamp Collectors of America (YSCA), All Star Stamp Clubs, and other existing youth programs while innovating additional ways to introduce stamp collecting to children, teens and adults outside traditional stamp show venues.

- **Chapters & Affiliates** – As your Vice Presidents, we will expand the recently initiated APS Board contact program with our nearly 600 chapters and over 200 affiliates to insure that the full APS Board regularly hears and reacts to their needs, concerns, and comments.

- **Budget & Strategic Planning** – All of the above must be supported by sound financial planning, balanced budgets, and regular review of the strategic plan.
